FOR RELEASE AT 9:00 AM

FlexTech International, Inc. Announces Two Day Training Seminar For Bio-Solutions Franchise Corp. Agents

August 29-30 in Hattiesburg

HATTIESBURG, MISSISSIPPI - - August 21, 2006 - - FlexTech International, Inc. announced today that it has schedule d a two day training seminar for FlexRock application techniques August 29-30. Steve Craft, the inventor of FlexRock will lead the hands on seminar. Bio-Solutions Franchise Corp., located at 1161 James Street in Hattiesburg, is hosting the training semina r. Bio-Solutions Franchise Corp. is a sale agent for the FlexRock family of products.

Wayne Wade, president of Bio-Solutions Franchise, said they are expecting about 20 contractors from as far away as New Mexico. The two -day seminar will have a short half-day course for contractors with time limitations. All local contractors are welcome and reservations would be appreciated by calling 877 -888-2744. At noon on Wednesday the public is welcomed for viewing the FlexRock product and meeting with local contractors. Refreshments will be served.

FlexRock is an acrylic polymer based exterior finish system that has the appearance of stucco or stone without the problems associated with cement based systems, such as, cracking and leaking. The major advantages of FlexRock include but are not limited to: Faster application than other systems, reduced labor costs, tenacious adhesion directly to nearly any surface, microbiocides inhibit mildew, durable, energy efficient, and many other benefits.

FlexTech International, Inc. has the exclusive, non-revocable and perpetual right and license to market, sell, distribute and provide products to any business within the United States of America for the FlexRock family of products manufactured by FlexKote Industries, Inc., Rockwall, Texas.

The FlexTech International, Inc. Web Site is located at: FlexTechProducts.com .
